

DRAW IT

The prophet Isaiah describes the Lord's mountain, saying all kinds of people will go up the mountain to learn about the Lord and the Lord's ways. Isaiah says it will be a place of peace, where swords and spears - tools normally used to fight people - are turned into farming tools - what we use to nurture and harvest the earth. What do you imagine this mountain looks like? What do the people climbing the mountain say to each other while they walk?
