

Nursery Care is available for our littlest learners during the Sunday School and worship hours. Through story, song, and loving care, they will experience home at CPC.

Sunday School is a time for kids to hear the stories of the people of God and wonder about them as they create and play together. We have three classes, a Pre-K class, a lower elementary class, and upper elementary class that meet in the preschool hall. Our fifth graders move to the UPNext class where they meet with our sixth graders upstairs in the education wing.

COVENANT KIDS

We love our **Covenant Kids** and believe that they should be a full part of the worship life of the congregation. We also recognize that little ones are not built to be still! They learn through movement and play.

Worship Bags provide a kid-friendly way to interact with worship. A kinesthetic worship guide, fidgets, puzzles, and a special children's bulletin allow kids to move and wiggle while still being engaged in worship.

Vestry Teams

Vestry Teams lead worship as acolytes, bringing in the bread and juice and helping to lead the prayer after communion on the first Sunday of each month.

Faith Explorers is the elementary fellowship group. Kids in grades 3-5 are encouraged to join us on the second Friday of the month to share supper, learn, and play together. This year, we will be exploring the fruit of the spirit as we learn about social-emotional regulation and building kind community.

Children at the Lord's Table is offered once a year as a way for children to further deepen their understanding of the sacrament of communion by engaging with the pastors at the table and font.

CPC CHILDREN'S MINISTRIES

Our goal in Christian Formation is to give children a safe and imaginative space to wonder about God and the story of people of God. Our team inspires imaginative and meaningful engagement with the stories of the Bible, builds spiritual friendships with our kids, and encourages our kids to explore discipleship through service and mission.

We are honored to be able to work with you as you help your children grow in faith. Each week during the academic year, we send **a children's newsletter** email each Monday. This email gives an overview of the lesson they studied on Sunday. It also includes a song, game, craft, way to pray, and conversation starter that you can use at home to keep the conversation going all week long.

There are also memory verses and liturgical pieces that your child can practice and come share with Rae to get a sticker on Sunday morning! And if you have to miss church one week, these materials will make sure that your child needn't miss any of the fun!

If you would like to be added to the email list, contact Rae and ey'll make it happen!
